Fundraising with Flowers

SIMPLE ▪ NO RISK ▪ GUARANTEED ▪ PROFITABLE

GET STARTED RIGHT AWAY – we ship your FREE supplies next day (Monday-Friday)

Is your organization in need of additional funds? If so, do yourself a favor and read over the enclosed material. You'll soon discover that the Flower Power Fundraising Program is both simple and effective.

For every product your members sell, your group keeps **50%*** of the purchase price. Sell \$3000 and you keep \$1500. What could be simpler than that? Every item contains a full color label that includes planting information to assist your customer in having a successful gardening experience.

Don't forget that we have excellent customer support which is available Monday-Friday by calling our toll free number 1-888-833-1486.

THREE PROGRAMS EACH YEAR TO MEET YOUR NEEDS

Our **Spring Program** containing the best quality Spring Flower Bulbs, Roots and Seeds is available to you starting January 2. We start shipping product purchased through the Spring Program in Late March.

Our **Fall Program** is released on June 1 each year. We start shipping products contained in this program (such as tulips, daffodils and many other popular fall planting bulbs), end-of-September.

Our **Holiday program** is available starting August 1 (Basic Program) and October 18th (Premium Program) and offers beautiful Amaryllis and Paperwhite bulbs, which are perfect for gift giving, or to just add a splash of color in the dreary winter months. Order deadline for the Holiday Program is November 15 (Basic Program and December 15 (Premium Program)..

Sign up by completing the request on our website, www.flowerpowerfundraising.com. Fill out the application completely and we will have you ready to fundraise quickly! Once your account is approved, you can log into your Dashboard to order supplies when you choose the Basic Plan.

HOW THE PROGRAM WORKS

Basic Plan

Brochures and Order Forms, Master order ships free to your organization—This plan has 18 beautiful bulbs, roots and seeds for your customers to plant and enjoy. (Please note: The Premium Plan below has different and many more items available for sale.) If you choose the Basic Plan, we will send you brochures and order forms free of charge. Each full color brochure includes beautiful photographs, descriptions, and pricing for each item available. Our order forms are simple and clear. Your sellers complete the information on the form and return them to you as the Chairperson. Tally all your orders onto a master order form and return to us with the payment due. All Master Orders over \$150.00 will ship free. Master Orders under \$150 will be charged \$25.00 for shipping.

Premium Plan

Personalized website for your organization—Direct your customers to your personalized online Fundraising site by promoting your site on social media, school newsletter, email etc. and sit back and watch the sales come in. We create the site for you free of charge, ship the orders directly to your customers for a \$6.99 shipping fee (paid by the customer), and send you a check for 50%* of the sales when your online site closes. Each plan is simple to run, but we must admit the online program is the least amount of work with no money collecting or distribution of product at the end. Remember we ship directly to your customer! **Our Premium Plan has over 40 items to choose from!**

A sample of our brochures for each season and a look at a personalized website is available in the booklet—keep reading to see those. See our website for live website samples.

Should you wish to participate in our program head to our website, www.flowerpowerfundraising.com, then click the Start Fundraising button in the upper right corner. Fill out the application completely and we will have you ready to fundraise quickly! Once your account is approved, you can log into your Dashboard to order supplies when you choose the Basic Plan.

As the Chairperson you will receive all the tools you need to run a successful campaign! Our chairperson's packet will explain in greater detail how you can best organize the campaign in a step by step manner. It also includes important information about ordering deadlines and distribution of your products to your customers. A **Master Order form** will also be included for those using the Basic Plan.

Using our industry leading online program, Flower Power enables you to sell product anywhere in the country – Grandma in Vermont, Uncle Bill in Wyoming and cousin Susan in South Dakota.

What an opportunity – your online program handles the sales, Flower Power ships the product direct to your customer and your group earns 50%* from every purchase! All online orders are charged a \$6.99 shipping fee no matter how large the order.

No matter which method you choose, Flower Power Fundraising maximizes your success.

***Groups selling \$500+ of merchandise earn 50%. Groups selling less than \$500 of merchandise earn 40%**

HERE'S WHAT OTHERS ARE SAYING:

This is by far the easiest fundraiser I have ever worked on! I actually was chair of this same project back in the early 1990s - with a different club. It was fun then, too!

– from **Soroptimist Intl. of Grass Valley, CA**

This was a great fundraiser! It was nice to have something new and different to sell rather than the usual candy and such. We were happy with the ease of sales and the great profit margin. Everyone at the company was extremely helpful. Thanks for such a great experience!

– from **South Valley Thunder Soccer in Bakersfield, CA**

Thank you so much! You sent everything so fast! I am impressed with your service and will do this again next school year. I hope to have more participants and sell much much more next year!

– from **Jenny in New London, WI**

Thank you so much for all that you've done. This is an easy and efficient fundraiser to do, and a lot of the money goes towards your group, not just the flowers. It's nice during the spring because everybody has spring fever and wants to get these beautiful bulbs planted! :) Thanks again!

– from **Taylor in Verona, WI**

This was a simple, high-yield fundraiser. The bulbs were easy to sell, and we got to keep half of what we made!

– from **Donna from San Diego, CA**

We LOVE YOU GUYS and are not doing paper, online only since it is SO EASY NOW!!! Bless you and thank you so much.

– from **Scuola Italiana Enrico Fermi in Chicago, IL**

Thank you so much for the prompt service! Ordering was very easy and speaking with a representative was always hassle-free. At 50% profit, this is a great way for next year's Junior Class to get a head start on next year's prom!

– from **Amanda in L'Anse, MI**

It was great working with you...As the team captain of our relay for life team, I wanted a fundraiser that was unique and fun to sell! Growing Green Fundraising was great for our team because it wasn't the same old fundraiser, no one in our community had done this before and I feel like for our first time we had a great profit! I will definitely recommend this organization and use it again next year when it is time to fundraise!!

– from **Kelly from Relay for Life in Camp Point, IL**

"We love our annual Flower Power Fundraiser. It is looked forward to at the beginning of each school year. The flowers themselves are BEAUTIFUL! The blooms are just breathtaking in the first year, and improve each coming season. We have many repeat customers that are happy to help support our school by purchasing your Bulbs! We anticipate offering this fundraiser for many years to come."

– from **Krissy in Allen Park, MI**

Frequently Asked Questions

How do I get an Online Webstore?

Head over to www.flowerpowerfundraising.com, click the Start Fundraising button in the upper right corner and fill out the form. Once approved, this will give you a store front to sell our products, and a dashboard that will let you track your orders, receive order notifications by email, order supplies and much more.

If I'm doing the Basic Plan, how do I order free supplies (catalogs and order forms)?

Once your account is approved, simply log into your account and click "Order Supplies" which is located on the left-hand side of your dashboard.

How do we turn in the orders we collected face to face?

Please use the Master Order form from your Chairperson Packet to consolidate your individual orders onto one form. This form must be filled out completely and legibly. Payment must be included with the order for us to process in a timely manner. We cannot accept any orders over the phone. Please also do not send your order both by mail and electronically, or it may get entered twice.

When is the Master Order Form due?

- Spring Master Orders are due to our Office by April 1.
- Fall Master Orders are due to our Office by October 15.
- Holiday Master Orders are due to our Office by November 15.

When will our Online Webstore close?

- Spring webstores close May 15.
- Fall webstores close October 15.
- Holiday webstores close December 15. (If delivery is desired by Christmas, orders must be placed by December 1.)

How do we receive our check from the online sales?

When the current season's webstores close, we will prepare the reports and checks. We then mail them to you as quickly as we can. Typically, we have all checks in the mail within 3 weeks. You do not need to do anything; we will send all the checks out when the sites close. We ask for patience, as we

have many groups and it does take time to process them all. If you have not received your check 6 weeks after the season closing date, please notify us and we will investigate.

When will the online orders ship?

• **Spring Bulb Shipping Schedule:** Orders begin shipping April 1st. We start shipping online orders to the warmer states first, as they can plant sooner than the colder states. Master orders will ship in the order they are received. We will do our best to ship orders as fast as possible.

• **Fall Bulb Shipping Schedule:** Orders begin shipping the end of September. We start shipping online orders to the colder states first, as they need to plant sooner than the warmer states. Master orders ship in the order they are received. We will do our best to ship orders as fast as possible.

• **Holiday Bulb Shipping Schedule:** Our Holiday orders begin shipping November 1 and are shipped in the order received. All orders received by December 1 will ship in time for Christmas gift giving.

Are there shipping fees?

We will ship one Master Order for free (with a \$150 order), if you have late orders and need to submit again, there will be a \$6.99 shipping fee if you send multiple Master orders. Online orders are charged a \$6.99 shipping fee per order, no matter how large or small. This fee is paid by your customer and not from your profit. ****Sorry, we currently do not ship to Alaska or Hawaii.***

Do you Guarantee your product?

If for any reason a customer is unsatisfied with a product's performance within the first growing season, we will replace the item free of charge. Because a portion of the purchase price is retained by the selling organization, we do not offer any refunds or returns.

Do you offer any planting information?

When you receive your order, you will be pleased to find that each item you purchased comes with a full color label that provides you with all the information you need to have success in the garden. Each label contains plant height, proper spacing, where to plant etc., to assist your customers in growing a beautiful garden.

Help & FAQ's

What Does Hardy Zone Mean?

Hardy means they should return next year in the zones listed without having to do anything to them. While some items such as Gladiolus are indicated with higher hardiness zones (7-9), these items could also be planted in colder zones, but would need to be dug up in the fall and stored indoors for the winter. So, all Flower Power items will grow virtually anywhere in North America, but they will only return in the zones listed.

How Do I Find My Zone?

Use the color coded map to determine which zone you are located in. If your zone is listed as a "hardiness zone" for any of the products you can rest assured that they will be a perennial in your area. You can enjoy these blooms year after year! If your zone is listed as suitable but not hardy, these products will grow beautifully this summer in your garden, but may not survive the harsh winter.

25-SIBERIAN SQUILL OR SCILLA

The bright blue flowers of the Siberian Squill (or Scilla) are one of the very first of the spring blooming bulbs to brighten up the landscape. Growing only 4-8" tall, these little wonders will grow wonderfully along a wooded edge or in a flowerbed border. Try planting them under a tree where you can't get grass to grow and be amazed!

Height: 4-8"
Spacing: 2-4"
Bloom Time: Early Spring
Hardy Zone: 3-9
