

CHAIRPERSON'S CHECKLIST - FALL 2017

Thank you for choosing Flower Power Fundraising as your partner this season.

Enclosed you will find:

- Copies of our colorful 16 page Sales Catalog, Order Forms and Payment Collection Envelopes
- Two copies of our Master Tally Sheet (we thought you'd appreciate having a spare)
- A Postage-Paid business reply envelope to use when sending in your order

Ensure your fundraiser is a success by following these simple steps:

- 1. Distribute your full-color catalogs, order forms and collection envelopes to each member in your group.** Have each Group Member complete the information required at the top of the Order Form as well as on their Payment Collection Envelope. It is very important that each Group Member **print** the names and addresses of their customers clearly on the Order Forms so we can easily enter this information when processing your orders. We strongly suggest setting a deadline date of no later than October 1st to ensure that you as the Chairperson can forward your Master Tally Sheet before the deadline of **October 15, 2017**.
- 2. Check in every week with your Group Members to see how they are doing.** The extra encouragement from you can provide that lift you may need to exceed your fundraising goal.
- 3. As you get close to your campaign deadline, ask each Group Member to count and recount their order information to make sure that their orders and their money match.** Once they have confirmed for themselves that their orders and payments match up have your Group Members turn in their Order Forms and payments to you. Once all the orders have been collected please check each sheet to ensure that the names and addresses are clearly printed and that each Group Member's monies match the amount on their order form(s). Once you have completed this task you can fill out the Master Tally Sheet and send it along with the white copy of all order forms and payment to Flower Power Fundraising - we have included a Postage Paid envelope for this purpose.

Flower Power Fundraising must receive your order with payment no later than the final deadline date of **October 15, 2017** to ensure that these beautiful spring bulbs and plants arrive at the proper time of planting.
