Ensure your fundraiser is a success by following these simple steps:

- 1. Log-in to your Fundraising Dashboard.** In your dashboard, you can order your supplies, by simply clicking the Order Supplies icon. (You will NOT be allowed to order supplies if your account is not approved.) ***Please Note: You cannot sell online if you are selling by brochure. ***
- 2. Order your Free Brochures and Order Forms.** Once you have been approved to participate, please log in and click "Order Supplies". You can order free supplies to distribute to every group member. ****Please allow 7-10 days for supplies to be delivered**.**
- 3. Distribute your brochures and order forms to each member in your group.** Have each group member complete the information required at the top of the order. We strongly suggest setting a deadline date of 2 weeks prior to the date you plan to send us your order. Most groups have a few participants that forget to turn their orders in on time, and this allows you to get them all submitted together. **Order deadline is April 1st.**
- 4. Share Incentives with Group Members.** Encourage and motivate your group members by explaining to them the reasons why this fundraiser is so important to your organization. If you are attempting to raise money for a specific purchase, share this with them! Keep the goal in sight!
- 5. Check in every week with your group members to see how they are doing.** The extra encouragement from you can provide that lift you may need to meet or exceed your goal.
- 6. Collect Order Forms and Payment from Group Member.** When it is time for sellers to turn in their order forms, ask each one to verify that the orders he or she has taken, and the money collected matches. Also, ask them to make sure that any checks used to pay for orders have been made out **directly to your organization.** Have them then submit their orders and payment to you for final order tallies.

Be sure to hang on to everyone's order form for sorting and distributing purposes once your Master Order arrives. Calculate the total amount due to Flower Power. Simply send a check or money order made payable to **Flower Power Fundraising** or include credit card information on your Master Order Form and you are all set! Flower Power Fundraising must receive your Master Order with payment no later than **April 1st**.
8. **Set up a Distribution Date.** Once we have received your order and processed it with payment, you will receive an order confirmation. When your order ships you will receive a shipping notification with a tracking number. Please use this information to set up a time and day for sorting and distributing the orders to your customers. Please do not wait, as these are live products.

Frequently Asked Questions

How do I order free supplies (brochures and order forms)?

Simply log into your dashboard and click "Order Supplies" which is located on the left-hand side of your dashboard. Check the box and enter the quantities next to each item you would like. Scroll to the bottom and click the green box, "Order your Supplies." Be sure to follow all the next prompts in the checkout process until you get a confirmation page with an order number. If you did not get the page with your order number, then you did not complete the process. Remember you must be logged in for this order.

****Please allow 7-10 days for supplies to be delivered**.**

How long should I run my fundraiser?

We suggest allowing 2-3 weeks to sell, we have found that allowing for additional time can lead to procrastination. (This includes adults as well as students.)

What is the Order Deadline and Shipping Time?

All spring Master Order forms with payment are due in our office by April 1st. All orders will start shipping in the order they were received April 1st. If there are extremely cold temperatures, we may hold your order to avoid the bulbs being damaged during transit.

****Sorry, we currently do not ship to Alaska or Hawaii**.**

How do we turn in the orders we collected face to face?

Please use the Master Order form from your Chairperson Packet to consolidate your individual orders onto one form. This form must be filled out completely and legibly.

Payment must be included with the order for us to process in a timely manner. If paying by check, you will need to mail in the order with payment. If you are paying by credit card you can mail, email, or fax your order. If you do not want to give your CC number in this manner you can call us with your CC number.
