THREE PROGRAMS EACH YEAR TO MEET YOUR NEEDS

Since everyone seems to be on their own schedule as to when they have time to raise money and when these precious funds are required, Flower Power offers three programs each year. Our Spring program containing the best quality Spring Planting Bulbs, Seeds and Berries is available to you January 1and runs through May 15. We start shipping product purchased through the Spring Program in Late March.

Our Fall Program is released on June 1 and continues through October 15. We start shipping products contain in this program (such as tulips, daffodils and many other popular fall planting bulbs), in mid-September.

Our **Holiday Brochure Program** is available in August and offers beautiful Amaryllis and Paperwhite bulbs, which are perfect for gift giving, or to just add a splash of color in the dreary winter months. The deadline to turn in your holiday Master order is November 1. Our **Holiday Online Program** is available October 18 through December 15. Orders placed prior to December 1 will be shipped in time for holiday giving.

Get started by completing the request on our website, www.flowerpowerfundraising.com.

HOW THE PROGRAM WORKS

Our entire program is online for Fall 2021!

We create a Personalized Website for each group. Direct your customers to your personalized online fundraising site, promote your site on social media, school newsletter, etc. and enjoy watching the sales come in. We create the site for you, ship the orders directly to your customers for a $6 shipping fee, and send you a check for %50 of the sales when your online site closes.

Using our industry leading online program, Flower Power now enables you to sell product anywhere in the country – Grandma in Vermont, Uncle Bill in Wyoming and cousin Susan in South Dakota.

What an opportunity – your online program handles the sales, Flower Power ships the product direct to your customer and your group earns 50% from every purchase! All online orders are charged a $6 shipping fee no matter how large the order.

START YOUR SUCCESSFUL CAMPAIGN TODAY!

Simply head to www.flowerpowerfundraising.com, click the "Start Fundraising" button in the upper right-hand corner and complete the application. Once your application is approved, we will send you a link to your personalized website. When supplied with all required information, approvals will be granted within 24-48 hours, (during normal business hours, Monday-Friday).

You will receive detailed and simple instructions for the groups fundraising chairperson.

Growing Green FUNDRAISING

HERE'S WHAT OTHERS ARE SAYING:

This is by far the easiest fund raiser I have ever worked on! I actually was chair of this same project back in the early 1990s - with a different club. It was fun then, too!

– from Soroptimist Intl. of Grass Valley, CA

This was a great fundraiser! It was nice to have something new and different to sell rather then the usually candy and such. We were happy with the ease of sales and the great profit margin. Everyone at the company was extremely helpful. Thanks for such a great experience!

– from South Valley Thunder Soccer in Bakersfield, CA

Thank you so much! You sent everything so fast! I am impressed with your service and will do this again next school year. I hope to have more participants and sell much much more next year!

– from Jenny in New London, WI

Thank you so much for all that you've done. This is an easy and efficient fundraiser to do, and a lot of the money goes towards your group, not just the flowers. It's nice during the spring because everybody has spring fever and wants to get these beautiful bulbs planted! :) Thanks again!

– from Taylor in Verona, WI

This was a simple, high-yield fundraiser. The bulbs were easy to sell, and we got to keep half of what we made!

– from Donna from San Diego, CA

We LOVE YOU GUYS and are not doing paper, online only since it is SO EASY NOW!!! Bless you and thank you so much,

– from Scuola Italiana Enrico Fermi in Chicago, IL

Thank you so much for the prompt service! Ordering was very easy and speaking with a representative was always hassle-free. At 50% profit, this is a great way for next year's Junior Class to get a head start on next year's prom!

– from Amanda in L'Anse, MI

It was great working with you…As the team captain of our relay for life team, I wanted a fundraiser that was unique and fun to sell! Growing Green Fundraising was great for our team because it wasn't the same old fundraiser, no one in our community had done this before and I feel like for our first time we had a great profit! I will definitely recommend this organization and use it again next year when it is time to fundraise!!

– from Kelly from Relay for Life in Camp Point, IL

"We love our annual Flower Power Fundraiser. It is looked forward to at the beginning of each school year. The flowers themselves are BEAUTIFUL! The blooms are just breathtaking in the first year, and improve each coming season. We have many repeat customers that are happy to help support our school by purchasing your Bulbs! We anticipate offering this fundraiser for many years to come."

– from Krissy in Allen Park, MI

Our organization is definitely going to do the Amaryllis fundraiser again! Many people who purchased the bulbs made comments on how healthy and large the bulbs were, and then they produced large flowers. Some customers said, "This Amaryllis plant was the best one I have ever seen!". Most of the bulbs produced two stalks with four or more large flowers on each stalk. Everyone was very happy with their purchase.

Here's what others are saying:

You are the best. I love working with Growing Green. You always make it easy and your products are awesome. I have several in my flower beds and they are the best. I know they will be the first back each year and with the biggest blooms. I would encourage anyone to use Growing Green as a fundraiser in the Fall and Spring. We have been able to go on several field trips using the money we earned through Growing Green. It is by far the best fundraiser we do.
– from Rose in Lebanon, OR

Thank you for making this fundraiser so simple! This was truely the easiest fundraiser I've ever been a part of! Growing Green helped us raise money for our adoption and I love that our friends and family will be able to enjoy the flowers year after year, instead of wrapping paper or cookie dough that gets used and forgotten about.
– from Sarah from Alstead, NH

Thank you … you get huge points for customer service! We're already looking forward to the next fundraising season!
– from Mary from Sedona, AZ

I just wanted you to know how thrilled and happy we are with our fundraiser … the bulbs are A+++++!
– Diane from Myrtle Beach, SC

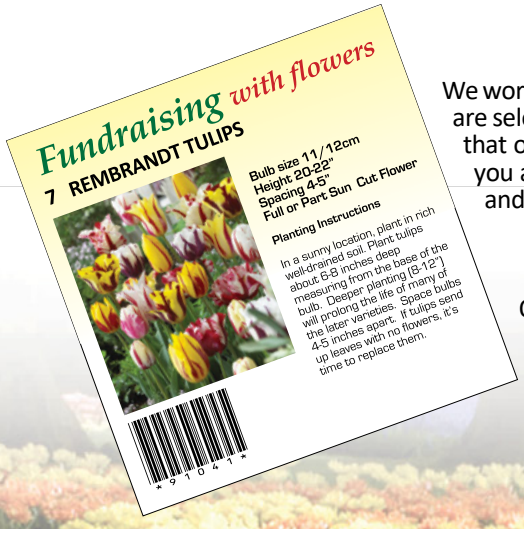
We greatly appreciate all of your correspondence and cooperation. I have mentioned your excellent customer service, as well as your fundraiser to many of my friends!
– Eleanor from Hauppauge, NY

I want to commend you for the prompt shipment and fine packing job of our order. This was our first year participating in your fundraiser — BUT NOT OUR LAST!
– Linda from Forestville, NY

I am happy to share that I have received very exciting feedback from the "greenest" of gardners that the bulbs from our fundraisers have all come up, and that they are looking to place repeat orders in Fall 2011, including me (this will be my third order in three years)!
– from Pam from Stillwater, MN

We had a good response considering we do many fundraisers through out the year to help get us to Dance Competitions. This was too easy and we will do it again next year!!!! Thank you for being so easy to work with.
– from Carol in San Antonio, TX

Thanks SOOOO much for this awesome fundraiser! This fundraiser was easy to do and sold very well. We were very successful! Also, your company was wonderful about getting back to us with questions and shipped our order out very quickly!!
– from Emily in Normal, IL



Our Quality Guarantee

We work closely with our Dutch growers to ensure that only the best quality flower bulbs and perennials are selected for this program. With staff on the ground in Holland, we go to great lengths to guarantee that our product is grown, delivered and packaged to the highest degree possible. If for any reason you are not totally satisfied with your product upon delivery, we will replace any item immediately and free of charge. Our success depends upon your success!

When your order arrives...

Once you receive your order, you will be pleased to find that each item you purchased comes with a full color label that provides you with all the information you need to have success in the garden. Each label contains a bar code, the bulb size, plant height, proper spacing, where to plant, plus other features that will assist your customers in growing a beautiful bulb garden.
